Experienced across live chat, email, phone support, CRM tools, customer onboarding, user engagement, education coordination, and cross-functional operations

SKILLS: Customer Support, Customer Communication, Issue Resolution, Live Chat Support, Email Support, Phone Support, CRM Tools

WORK EXPERIENCE

Skillzy - CEO and Project Manager

2024 – Present

- Coordinated the development and planning of Skillzy, an AI-based online skills exchange platform focused on helping users teach, learn, and exchange skills through a digital coin-based system.
- Managed project planning, task coordination, and communication between team members across product, content, design, and platform development.
- Supported user growth strategy by planning onboarding flows, community engagement activities, and platform features designed to increase user activation and retention.
- Developed project roadmap elements including user profiles, AI-based matching, assignments, reviews, leaderboards, integrated communication, and community-focused learning features.
- Coordinated partnership and outreach planning for vocational colleges, students, regional youth, and women-focused communities.
- Supported customer-success-style platform development by focusing on user needs, feedback loops, onboarding experience, and long-term engagement.
- Planned early-stage growth goals, including 400+ registered users, regional workshops, and institutional partnerships

VR Arena — Social Media Manager

2024-2025

- Built the company's online presence from scratch, increasing social media followers by 50%.
- Increased engagement by 55% within 6 months through content strategy and community management.
- Developed marketing campaigns that generated direct customer leads and increased venue visits by 25%.
- Managed daily customer reception, bookings, phone inquiries, and walk-in visitors while maintaining a high-quality customer experience.
- Coordinated event schedules and supported smooth day-to-day operations between customers and staff.

Glovo — Customer Service Support Manager

2022 – 2025

- Resolved 97%+ of customer inquiries within 24 hours across live chat, email, and phone support channels, consistently supporting fast and reliable customer service delivery.

- Managed high-volume customer support operations, handling 120+ inquiries per day while maintaining strong service quality and professional communication standards.
- Reduced customer and driver escalations by 20% month-over-month through effective issue handling, structured follow-up, and faster problem resolution
- Improved customer experience by identifying recurring service issues and documenting patterns that supported workflow improvements and more consistent resolutions.
- Supported cross-functional communication between customers, drivers, and internal teams to ensure urgent issues were escalated and resolved efficiently.
- Maintained strong performance against internal customer support KPIs in a fast-paced, high-pressure environment.
- Contributed to service improvement by recommending process changes based on customer feedback, escalation trends, and repeated operational issues.

Bank of Georgia — Customer Support Specialist	2019 – 2022
• Managed client communications and resolved complex service issues while maintaining banking service standards, customer confidentiality, and compliance requirements. • Reduced response and processing time by 25% through improved workflow organization, faster issue handling, and more efficient customer support processes. • Created KPI dashboards that improved reporting accuracy and team efficiency by 20%, supporting better visibility into customer service performance. • Supported escalation handling in a structured, high-accountability environment where accuracy, professionalism, and customer trust were critical. • Assisted customers through service-related questions, account support processes, and issue resolution while ensuring clear and professional communication. • Collaborated with internal teams to address customer needs, improve service consistency, and support faster resolution of client requests.	

Free University of Tbilisi — Teaching Assistant	2021-2022
• Supported academic coordination between lecturer and students, helping improve communication, task clarity, and learning experience. • Assisted students with course-related questions, instructions, assignments, and academic processes. • Helped organize learning materials, class activities, and student communication to support smoother course delivery. • Strengthened student engagement by providing timely guidance, follow-up, and clarification on academic expectations. • Developed strong communication, presentation, organization, and stakeholder support skills in an academic environment.
